KEYTESVILLE, MO.

FRIDAY, JANUARY 2, 1885.

To Our Patrons. The time has come again when we need money and need it badly. We trust that every one indebted to us will make arrangements to settle at once. No ones oves us a large amount but the small amounts due aggregate quite a sum. Flease attend to this matter before the new year, as we have obligations upon us that we cannot successfully meet without your assistance in this our time of need. We do not intend to pubush a "black list," if we can keep from it, as some of our exchanges have determined to do is order that all may know who will not pay the printer.

Just recieved by John Chivers & Co., one car load of the well known Harrison Wagons, and we want to sell you one if you have a gentle, safe team, if not we do not, as they run so light they are dangerous for a wild team of horses. Apply to John Chivers & Co., or M. W. Anderson, Keytesville, Mo. Nov. 26th, 1884.

We have the exclusive sale of Selz's Boots and Shoes for this town. They are too well known to need any talking up. Every pair warrant ed. Applegate & Martin.

I hereby notify all who are indebt ed to me to come forward and settle their accounts immediately, as I must have money. I have staved off my creditors as long as possible and must have money to pay them, You may say you only owe me 50 cents, but every little helps and I need what 111 So. Oxford St., Brooklyn, N. Y. is due me. Would also notify my customers and all others, that after January 1, 1885, I must have the eash for all work done in my shop. I will not move an inch from the cash system, no exceptions after above date. I will do work at the lowest living price for cash, but I have struggled with the credit system for years and haven't anything now-no fire wood, no corn, no coal, no pork, no money, nor anything else except promises, and they are EDWARD WALTER.
